Dear Vendor:

The Great Plains Resource Conservation and Development, RC&D, Association appreciates your interest in networking with agriculture and small business professionals and innovators at the "Women In Agriculture and Small Business" conference October 21, 2003 at Southwestern Oklahoma State University in Weatherford. We look forward to learning about your group/organization and learning from your experience.

The Great Plains RC&D works to empower rural Oklahomans to help themselves by providing tools and technical support to stabilize and grow their own communities while protecting and developing natural resources. Thank you for supporting this mission and empowering the educational growth of Oklahoma women.

Enclosed please find a letter of agreement for your display table reservation. This will allow us to finalize set-up and make necessary arrangements. Please complete the information requested, sign, and return.
