

National Women in Agriculture Educators Conference Travel Assistance

When requesting consideration as a recipient of travel assistance, you should be aware that there are two options.

Conference Schedule (including pre- and post-conference seminars)

Pre-Conference: March 23 – 1:00 pm – 5:00 pm

Conference: March 24 – 25 (ending by noon)

Post-Conference: March 25 – 12:00 pm – 8:00 pm in Washington, DC (round trip transportation and meals included at no charge).

Travel Assistance Options

For either of these options, you must attend the events listed with each option in order to qualify for the travel assistance. Expenses will be reimbursed upon submission of a travel expense report and original receipts (the reimbursement form will be provided at the conference).

Option 1 – Up to \$750 will be available for travel expenses related to attending the National Women in Ag Educators Conference – March 24 – 25 (recipient must attend both days).

Option 2 – For those participants who also choose to attend the post-conference “Women and Working Lands” event in Washington, DC (Thursday afternoon and evening), extra assistance will be available to cover per diem expenses incurred, and the cost of one additional night at the hotel in Baltimore.

**While attending the Pre-Conference Seminar is not required for either option, we encourage you to do so!
